EXCO 24

FOR INSPIRATION, THOUGHT LEADERSHIP & ENGAGEMENT

Conference and Expo – this is what YOUR winning team looks like. While the Expo booth is the hotspot for business and growth, the Conference puts your brand into the spotlight on one of the DMEXCO stages. After the event your sessions continue to generate additional leads in our video-on-demand (VOD) library. Get further information on our bookable Conference products such as fireside chats, masterclasses or lectures in our product overview.

DMEXCO WORLDS – THE HIGHLIGHT AREAS FOR YOUR SUCCESS

Present your brand in the most relevant environment for your business

Each DMEXCO “World” is dedicated to a specific digital industry vertical to create optimal guidance for visitors and potential business partners. It combines the essential elements of DMEXCO:

- Centrally located EXPO area with different booth options attracts your audience straight to your booth
- Integrated CONFERENCE stage focusing on each vertical's topics gives you the opportunity to put your brand & products into the spotlight
- An open NETWORKING space for exchange creates a vibrant atmosphere in each world

World of Agencies

[→ Learn more](#)

The place where brands find their consultants. The World of Agencies is the exclusive meeting place for agencies of all kinds to connect with existing and potential customers.

World of Media

[→ Learn more](#)

A broad spectrum of the entire digital media landscape. The World of Media brings together media companies, publishers and advertisers.

World of E-Commerce

[→ Learn more](#)

Home to the world's best e-commerce companies. It is the ideal platform for online retailers, service providers, and payment specialists to put their brands and products into the spotlight.

World of Tech

[→ Learn more](#)

Here the heart beats for digital players from all over the world! The World of Tech is the place to be for Adtech & Martech companies as well as the representatives of future technologies.

SPECIAL AREAS INSIDE OUR WORLDS

Within our worlds, DMEXCO offers the opportunity to present your brand and digital business model in special topic areas: new business, more focused. Find out more.

Digital Fashion

[→ Learn more](#)

“Digital Fashion – The Phygital Network” is back at DMEXCO 2024 after its successful launch at last year’s edition. Experience the digitalization of the fashion industry in this themed area curated by Deutsches Mode-Institut. The focus is on e-commerce, personalization, customer experience, digital marketing, sustainability, transparency and their influence on the fashion industry.

Start-up Area

[→ Learn more](#)

You have fresh ideas to move forward?
Your start-up has a digital business model?
Your start-up is in an early growth phase
(no more than 5 years old)?
Perfect! Join DMEXCO 2024 and be part of the future already today!

Retail Media

Megatrend retail media: What is already possible today - and will be the standard tomorrow? This will be demonstrated by leading retailers, major brands and specialised service providers in their own Expo area inside the World of Media. At booths and in networking spaces, in inspiring lectures and in-depth masterclasses, there will be exciting presentations, discussions and business opportunities.

DIGITAL EVENT PLATFORM

DM ■ ●
EXCO 24
