Modular Concept Stand

The all-around worry-free package

Linear shapes, clear colours and functional furniture – this is what distinguishes the DMEXCO modular stand concept. The design of the stand is aligned to match the overall look and feel of the DMEXCO and harmonizes with the expo one to one.

You have opted for the modular stand concept? This is a good choice – because it means you have booked the all-round worry-free package. A team of experts will assist and advise you to ensure that your presence at the DMEXCO is a pleasant and stress-free experience.

If you have any further questions or need more information, please do not hesitate to contact us.
